

CYA 145 (H) and CYA 110 (H) NOTAM requirements (*)

(*) The other CYAs (H) on Vancouver Island are CONT Daylight, no NOTAM required

- 1. PLANNING:** NOTAM has to be activated not less than 2 hrs in advance
- 2. RADIO:** Any pilot should be carrying a radio with VHF frequency (usually 146.000 MHz) in use for the entire period of activation.

★ Victoria (YYJ) International airport

Authorized Delegates (**)

Salt Spring Island based

- Jayson Biggins
- Emmanuel (Manu) Diez
- Micah Hollenbeck
- David Rabby

Vancouver Island based

- Rick Heatley
- Lee Kenyon
- Garnet (Clair) Maynard
- Stephen Parson
- Giovanni (Gio') Salerni

(**) Airspace Delegates can activate either CYAs NOTAM, however coordinating with locals is recommended.
